

City of Edina

Construction Update No. 1F
Minnehaha Woods Neighborhood Roadway Improvements
City of Edina Contract No. ENG 11-5

August 11, 2011

This update is for all homeowners who live along the east side of Woodcrest Drive.

If you have an irrigation system and portions of that system are sprinkling water into the roadway, we respectfully ask that you shut down that zone(s) until the first layer of blacktop pavement is installed on your street. The blacktop pavement is scheduled for Tuesday, August 16, 2011.

The contractor cannot properly prepare the aggregate base or install the blacktop pavement along the east edge of Woodcrest Drive with continued water flowing onto the street.

Please contact me at 612-598-4254 or cschulze@sehinc.com if you have any further concerns or questions regarding this process.

Sincerely,

Carter Schulze, RPR
SEH Resident Project Representative
