GOLF TERRACE STREET RECONSTRUCTION

Dear Residents:

Please note the following update has been broken into two parts:

Private Utility Reconstruction Schedule

CenterPoint Energy and Michels will continue working on gas main and service work upgrades. Keep in mind that these are a separate private utility upgrade that is not directly associated with your neighborhood project. They have a project superintendent on site to assist you with getting your service lines upgraded. CenterPoint and Michels will coordinate their upgrades with you.

The following is a preliminary schedule for private utility work and upgrades:

- Comcast Cable TV – Work is completed.
- CenterPoint Energy – Work will continue in Stage 1 with main installation. Crews will soon also begin work on new gas service upgrades to your home. Stage 2 & 3 will also see crews working to install new gas main lines. Service crews will follow shortly.

General Contractor Schedule

At this time, Palda and Sons anticipates beginning the construction project in Stage 1 on July 25th, 2011.

Next week we will be working on putting together a City Extra and a mailer that will give you more specific information on the project and process.

Who to Contact with Questions and Concerns

Please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0444 or akuznia@ci.edina.mn.us

Have a safe Holiday weekend.

Aaron Kuznia - City of Edina – Project Manager

City Extra #3

Golf Terrace Street Reconstruction – July 1, 2011
