McCauley Heights Neighborhood Reconstruction

Dear Resident:

Private utility upgrades are near completion in your neighborhood. Northwest Asphalt is planning on starting in the McCauley Heights Neighborhood on June 13th. They are allowed only 25 days to substantially complete these street improvements.

Safety

Please remind your children to stay away from construction sites, construction machinery, and stockpiled materials. These sites, machines, and materials can be dangerous. Job site safety is our number one concern.

Who to Contact in an Emergency

During a life or property-threatening emergency, call 911. If construction equipment or materials need to be moved as part of dealing with the emergency, 911 has a list of the contractor's emergency contacts. If it is not an emergency, you can also get a hold of the Edina Police Dept. on their non-emergency phone number at 952-826-1600.

Who to Contact with Questions and Concerns

As always, please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0448 or jfrahm@ci.edina.mn.us

The City of Edina and Northwest Asphalt, Inc. would like to thank you for your cooperation during this project.
