W. 44th Street (Brookside Terrace to France Avenue) Improvement Project

Dear Residents:

France Avenue and W. 44th Street Lane Closures

The contractor will be working at the intersection of France Avenue and W. 44th Street to complete sanitary sewer lining work on Tuesday, November 22 between 7 a.m. and 5 p.m. There will be lane closures and restricted access on W. 44th Street and France Avenue as follows:

- If you are traveling east on W. 44th Street, you will only be able to turn right onto France Avenue. You will not be able to make a left turn onto France Avenue or continue straight across France Avenue.
- If you are traveling north on France Avenue, you may not be able to make a left turn onto W. 44th Street, as the lane will be narrowed.
- If you are traveling south on France Avenue, you will not be able to turn left onto W. 44th Street, east of France Avenue.
- If you are traveling west on W. 44th Street approaching France Avenue, you will not be able to make a left turn onto southbound France Avenue.

Please use alternate routes during this time.

We thank you for your continued patience and cooperation during this construction season!

Who to Contact with Questions and Concerns

Shibani Bisson, WSB's Project Representative at 763-287-7162, sbisson@wsbeng.com, or our on-site project inspector, George Bender, 612-360-1321, gbender@wsbeng.com.

Sincerely,

Shibani K Bisson, PE
Senior Project Manager
