

Construction Update No. 1
West 70th Street & Metro Boulevard – Mill & Overlay
City of Edina Contract No. ENG 09-8

July 29,2009

West 70th Street and Metro Boulevard – Mill and Overlay; ENG 09-8

The Edina City Council has awarded the roadway and utility construction project in your neighborhood to Northwest Asphalt Inc. Crews will start the project the week of August 3rd, 2009. At this time, it is anticipated the project be completed by September 30, 2009.

This project consists of a mill and overlay, adding a right turn lane, and traffic signal upgrades at the intersection and surrounding areas of W 70th Street and Metro Boulevard.

The cul-de-sac portion of W. 70th Street will also be part of the mill and overlay project. In this area crews will perform a mill and overlay, minor storm sewer upgrades, spot curb and gutter replacement, as well as replacing portions of the existing sidewalk as needed.

Traffic in the area will be maintained during the duration of the project. During construction you may encounter lane shifts, temporary delays, etc. Crews will be working hard to keep traffic moving, as well as keeping everyone safe.

Communication

To better communicate the overall happenings of the project, the City has introduced the City Extra e-mail notification service. This service is free and allows individuals to sign up to receive e-mail messages from the City on a variety of topics. To sign up for the service go to the City Extra website at <http://cityextra.cityofedina.com> and place a check mark in the box next to “**West 70th Street & Metro Boulevard - Mill and Overlay**”. Please contact the City at 952-927-8861 if you are having trouble signing up for City Extra. We will update the City Extra e-mail notification system on a weekly basis for this project. These updates will be brief but will cover the weekly street reconstruction highlights. All residents, including those signed up for the e-mail notification system, will continue to receive paper copies of the construction update letters by regular mail on a monthly basis.

Please contact the project inspector, Aaron Kuznia, if you have questions or comments regarding this project at 952-826-0444 or by email at akuznia@ci.edina.mn.us

The City of Edina and Northwest Asphalt Inc. would like to thank you in advance for your patience and cooperation throughout the projects.

Thank you,

Jack Sullivan
Assistant City Engineer
